About EQUIP 210

For the past 11 years, EQUIP 210 founder Lesley Russell has been pioneering and innovating education with Next Generation Ministries/Independent Learning Academy. They have educated and equipped thousands of K-12 students through their 3 campus locations. Out of this heart of impacting students for the kingdom, EQUIP 210 is the next mountain of influence and innovation.

EQUIP 210 is a K-12 Kingdom Educational Movement equipping children in their kingdom identity and calling. Based on Ephesians 2:10, we believe God wants our children to know that they are His Masterpiece and He loves them. They were all created for a Kingdom purpose on this Earth.

EQUIP 210 comes alongside the families to help shepherd, guide, direct, and point them to Jesus through their Core and Equipping electives. We will be equipping, disrupting, and reinventing how education is done.

*For we are God's masterpiece. He has created us anew
in Christ Jesus, so we can do the good things
He planned for us long ago - Ephesians 2:10*

Vision And Mission

OUR VISION

That every child walks in his or her God-given identity as His Masterpiece doing the good works that He prepared for them long ago so that the Earth will be filled with the knowledge and glory of God as the waters fill the sea.

OUR MISSION

To equip the next generation of world changers through our Christ-centered K-12 Educational Movement. Through our customized program and equipping curriculum along with our professional training of local teams, we create one of the most dynamic and innovative alternate educational programs and movement.

OUR CULTURE

The culture we set here at EQUIP 210 is loving every individual as God's masterpiece by displaying our five pillars:

1. **Honor** [1 Peter 2:17]
2. **Obedience** [Deuteronomy 11:1]
3. **Kindness** [Colossians 3:12]
4. **Excellence** [Philippians 4:9]
5. **Courage** [Joshua 1:19]

How We Work

EQUIP 210 Executive Leadership Team along with special guest instructors train each campus leadership over the course of seven months. We introduce new paradigms of how children learn and how teachers can most effectively reach and connect with every child through various pedagogies.

Teachers are mentored and have professional development over the seven months. Parents also enjoy the benefits with working with our dynamic Executive and Auxiliary Campus Leadership Teams to prepare them and their children to start the EQUIP 210 program in the fall and throughout the year.

We Offer Three Programs

Two Days: Bible Core

Bible, Math, Science, English, History and Foreign Language

Two Days: Kingdom Equipping Electives

Identity, Entrepreneurialism, Biblical Citizenship, Film Video, Music, Art, Drama, Programming, Graphic Design, Fashion, Choir, Drama Production, Culinary Arts, and more.

Four Days: Core & Electives
